I Firini Tirir i mallë i mittanya Earena

Tolkien tencë

## **Massë sí i Núnatani, Elessar, Elessar?**

*Where are now the Dúnedain, Elessar, Elessar?*

massë = ma (interrogative particle) + -ssë (locative ending) = where?  
sí = now                      Núnatani = West-Man = Dúnedain in Sindarin  
Elessar = Title of Aragorn = Elvish Stone

## **Ma nosselya mistar oar?**

*Why do thy kinsfolk wander afar?*

nossë = family, clan            -lya = possessive ending 2<sup>nd</sup> pers. sing. or pl.  
mista- = wander    oar (or oa) = afar

## **Harë na i lúmë yassë horyar nattulë i Ranyari**

*Near is the hour when the Lost should come forth,*

harë = near, close            lúmë = moment, hour  
yassë = ya (relative particle) + -ssë (locative ending) = in which, where  
horya- = must, be compelled to do something  
nattulë = nan- (prefix meaning "back") + tul- = to come with assimilation =  
nattul- = come back            nattulë = infinitive  
ranya- = wander    Ranyar = reconstruction of a name from a verb = Wanderer

### **Ar Formello undutulë i Sindásta**

*And the Grey Company ride from the North.*

ar = and      Formen = North

Formello = North + ablative ending + assimilation

undu- = prefixe = down      tul- = to come

sinda = grey      -asta = suffix = -group      Sindásta = Grey Company

### **Nan morë na i tielya;**

*But dark is the path appointed for you:*

nan = but      morë = dark      tië = path

-lya = possessive ending 2<sup>nd</sup> pers. sing. or pl.

### **I Firini tirir i mallë i mittanya Earena**

*The Dead watch the road that lead to the Sea*

Firin = Dead

tir- = watch

mallë = road

i = relative particle

mittanya- = drive, lead

Ear = Sea

-nna = allative ending
